## Institutional Vertical Piano

Designed specifically for the needs of the institutional market, this solid beauty was built to meet all school specifications. With the durability you'd expect, this piano is an ideal choice for schools, churches, recreational centers or any institutional environment. As with all Pearl River pianos, you get the finest materials combined with precision engineering comparable to the most prestigious brands at a fraction of the price.

The Pearl River Piano Group Ltd. was established in 1956 and has rapidly grown to become one of the world's leading piano manufacturers. Today with nearly 4,000 employees and over 3 million square feet of production space, Pearl River has the capacity to manufacture over 100,000 pianos per year.

Pearl River is proud to be the first piano factory in China to be awarded the ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System Compliance.
