## UP110P10 Vertical Piano

The all new UP110P10 is another in our series of home-sized pianos with big piano tone and projection. The striking Italian Provincial design include elements of classic English styling to create the elegant details that blend well with any décor. The new UP110P10 includes all the technical advancements that have given Pearl River pianos their leading edge.

The Pearl River Piano Group Ltd. was established in 1956 and has rapidly grown to become one of the world's leading piano manufacturers. Today with nearly 4,000 employees and over 3 million square feet of production space, Pearl River has the capacity to manufacture over 100,000 pianos per year.

Pearl River is proud to be the first piano factory in China to be awarded the ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System Compliance.
