Pearl River

UP115M5 Vertical Piano

The new UP115M5 Institutional Studio Piano is the culmination of Pearl River's commitment to the leading edge in design and material development. It's a professional-quality workhorse that includes the industry's most exciting advances within a very successful and popular-sized upright. The solid design and construction challenge the most rigorous practice and performance schedule.

The Pearl River Piano Group Ltd. was established in 1956 and has rapidly grown to become one of the world's leading piano manufacturers. Today with nearly 4,000 employees and over 3 million square feet of production space, Pearl River has the capacity to manufacture over 100,000 pianos per year.

Pearl River is proud to be the first piano factory in China to be awarded the ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System Compliance.
